

Building Better Regions Fund – Round 3 Funding Offers

Infrastructure Projects stream funding offers – Round 3

Applicant Organisation	Project Name	Project Description	Project Location	Grant Approved	Total Project Cost
Barkly Regional Council	Youth Infrastructure across the Barkly	This project will provide for youth focused infrastructure in key communities across the Barkly. This strategy responds to the obvious need as well as the high value placed on youth opportunities by the community. A range of social, recreational, health and economical benefits will be gained while creating appropriate youth centred environments in Tennant Creek, Ali Curung and Wutunugurra. This infrastructure will include: Cycle/Walking path in Tennant Creek from Weaber Road to Blain Street, replacement of the Youth Linx Youth Centre in Tennant Creek, replacement of the Ali Curung Sport & Recreation Centre and the Wutunugura Basketball Court cover. Youth centred activities are integral to healthy community futures.	Tennant Creek	\$7,621,497	\$7,621,497

Community Investments stream funding offers – Round 3

Applicant Organisation	Project Name	Project Description	Project Location	Grant Approved	Total Project Cost
City Of Darwin	Creative Enterprise Skills for Public Artists - Workshop Series	The project will deliver a series of workshops and events to assist emerging Darwin mural artists to successfully deliver commissioned art projects through	Darwin City	\$45,000	\$90,000

		developing their capacity to run creative enterprises, facilitate community art projects and create art at scale in public spaces. The project will include mentorship programs, art workshops and community events at the Darwin Fringe Festival and the Seabreeze Festival.			
St John Ambulance Australia Nt Inc	Thriving Culture: Staff and Volunteer Leadership Development Project	The project will deliver a 12-month leadership program for 243 staff and volunteers aimed at building capacity through a whole-of-organisation approach.	Casuarina	\$45,500	\$91,000
Ywca Housing	Women's housing in regional areas - a national vision and strategy	The project will conduct quantitative and qualitative research to provide input into the development of a strategic plan to inform on the adequacy and appropriateness of housing in regional areas in meeting the needs of women, young women, and girls.	Larrakeyah	\$51,650	\$103,300
Tourism Central Australia Incorporated	Tourist Information Audio Signage	The purchase and installation of handle powered audio signs across the Lasseter region to provide tourists with answers to frequently asked questions. It will provide information and advice regarding safety and travel across the Central Australian region. As the Lasseter Highway is frequented by tourists it will increase safety awareness, improve information availability and assist in providing around the clock weather updates for the travel community.	Lasseter	\$20,872	\$27,830
Outback Highway Development Council Inc	Outback Way Outdoor Gallery with Hot Spot Technology	The Outback Way Outdoor Gallery (OWOG) will create one of the largest outdoor galleries in Australia in one of the most remote communities in Australia, located at Atitjere (Harts Range, Plenty Highway, NT). The 14 large, double sided billboards positioned in the Atitjere community near the existing 'My Pathways Atitjere Art Gallery' will annually showcase 28 artworks from the communities along the Outback Way Art Trail and from regional art competitions in WA, NT and Qld. The OWOG will add value to Atitjere, as a destination for the 14000 annual travellers in this area. The OWOG begins to bring the East MacDonnell	Atitjere	\$461,715	\$471,715

		Ranges and Plenty Highway Master Plan to fruition, and added connectivity with 3 CAT Hotspot units on the Plenty Highway.			
Yuendumu Women's Centre Aboriginal Corporation	Yuendumu Women's Centre Infrastructure Project	This project will provide infrastructure improvements to four premises managed by Yuendumu Women's Centre Aboriginal Corporation (YWCAC), a 100% Aboriginal owned women-led organisation: Women's Centre, Women's Safe House, Coordinator House and redevelopment of an old premises into a Cultural Centre providing essential services for the whole community, including Op Shop, Community Laundry and much needed meeting and training spaces. The infrastructure will enable YWCAC to manage properties which are safe, welcoming places for all people; which are economically and environmentally sustainable, and which meet immediate community needs and provide a foundation for future economic and social development, based on YWCAC Strategic Plan.	Yuendumu	\$709,207	\$992,462
